TIGER TALE

Ruby I heard about an animal, a **TIGER**. It sounds awesome!

Do you know what a **tiger** is?

No, but I'd like to!

Okay, let's follow the **TIGER TALE** and see what we can **find out...**

That's an animal!
Is that it?

SOME
TORTOISES LIVE
TO BE OVER 100,
SO THEY CAN
AFFORD TO TAKE
IT SLOW

Hehe, that is an animal,
but a tiger is a **lot faster**
- it's a **TORTOISE!**
Let's play along, can we have
a **slow race?** Keep moving
but as **slow as you can**, take
your mark, get set. **GO!**

That is a **POLAR BEAR** shaking off the water after its swim, a tiger does the same thing. They have **perfected the shake**, they shake right down their bodies from their nose to their tale! **Do you think you can?**

What's that doing, is that a tiger?

A POLAR BEAR LOOKS WHITE, BUT ITS FUR IS LOTS OF HOLLOW TUBES THAT DON'T HAVE ANY COLOUR

What about that
furry thing?

Well a tiger does have
fur, but it has orange
and black stripes. That's a
KOALA!

Do you think we can stay
as still as a koala? Let's try,
stand on a marker -
30 seconds, no moving, start
now!

KOALAS CAN
SLEEP FOR UP
TO 18 HOURS
A DAY!

Aww, what's that with the funny walk?

Ha, that is a **PENGUIN!** A tiger has **big webbed feet** too, for swimming. But they have claws and five furry toes. Should we **follow its waddle** down the road? Flippers, I mean arms, tucked right in and rock side to side...**GO!**

WADDLING HELPS PENGUINS TO NOT FALL ON SLIPPERY ICE

That's walking on **four legs**...
A tiger?

WILDCATS
HUNT RABBITS,
SO THEY'VE GOT
TO POUNCE
QUICK!

You're getting close!
It is a **cat pouncing**
like a tiger, but it's a
SCOTTISH WILDCAT.
Do you think we can
pounce as far as a wildcat?

That's an animal!
Is that it?

WOLVERINES CAN
BE VERY SMELLY
AND ARE ALSO
KNOWN AS THE
SKUNK BEAR!

It does have long sharp
powerful claws like a tiger
but it's called a **WOLVERINE!**
They have an excellent sense
of hearing, can you test your
hearing? Stand as still and
quiet as you can, **how many
different sounds can you hear?**

RZSS
THE WILDLIFE CONSERVATION CHARITY

LOOK! Is that a tiger?
It's orange with black stripes...
It has webbed feet...
Has powerful claws...
Shakes to dry...
It's very fast...
Likes to pounce...

IT IS A TIGER!
