一 1

Do you know what these Chinese characters mean?

中国

六 6

What is the population of China?

- A. 1.4 billion
- B. 1.4 million
- C. 140,000

The correct answer is based on population as at March 2021.

五 5

Which is the flag of China?

A.

B.

C.

四 4

四 sì means 4

川 chuān is another character for river

Giant pandas in the wild are mostly found in a province meaning '4 rivers'. I wonder if you can work out the Chinese name of this province.

Try to find it on the map.
