

Make your own giraffe!

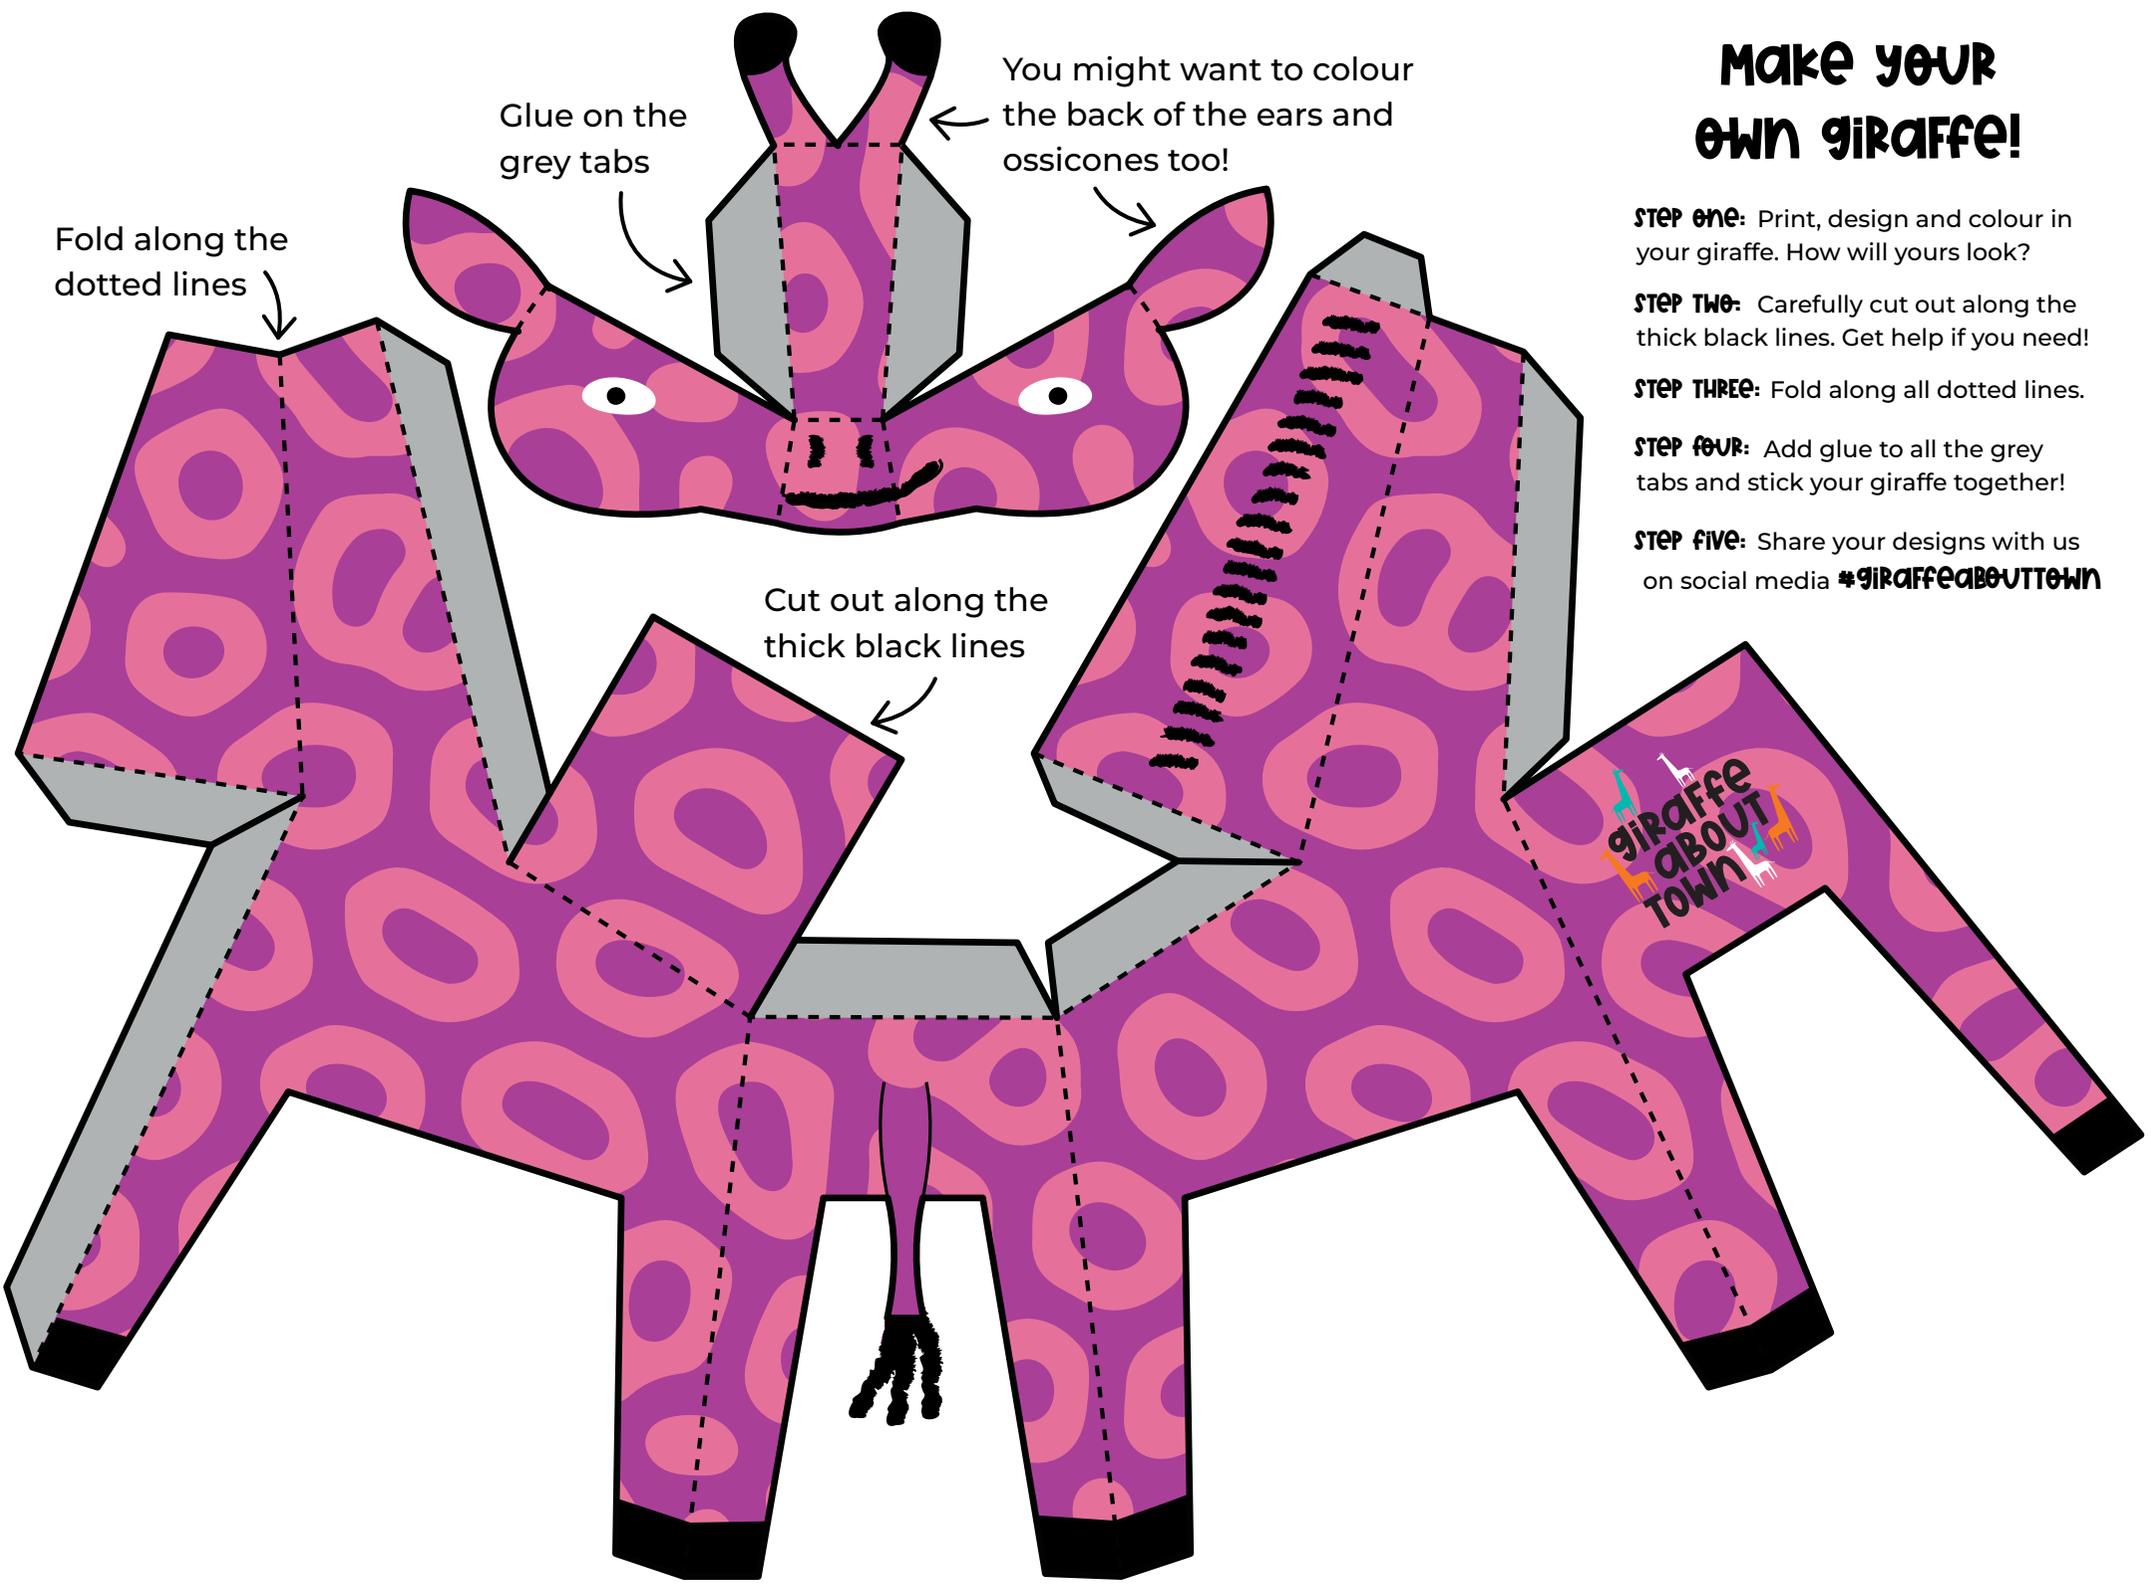

STEP ONE: Print, design and colour in your giraffe. How will yours look?

STEP TWO: Carefully cut out along the thick black lines. Get help if you need!

STEP THREE: Fold along all dotted lines.

STEP FOUR: Add glue to all the grey tabs and stick your giraffe together!

STEP FIVE: Share your designs with us on social media **#giraffeabouttown**

Fold along the dotted lines

Glue on the grey tabs

You might want to colour the back of the ears and ossicones too!

Cut out along the thick black lines
