

# Chimp Challenge

This board game is designed for learning about the habitat, diet, biology, threats and breeding of the chimpanzee.

## Contents:

Chimp Challenge game board

Chimp Challenge Fact cards

Chimp Challenge cards

## Requirements (*not included*):

dice

6 x playing pieces

## How to play:

Each player chooses a playing piece.

Each player takes it in turn to roll the dice and move the relevant number of spaces.

Follow the arrows around the board.

If a player lands on a picture square, the player looks up the relevant topic (Uganda, rainforest, baby, food, using tools, logging, snares, grooming and research) from the fact cards. The player reads out the card, some cards have some questions. All players discuss.

If a player lands on the Chimp Challenge squares, the player has to pick one of the Chimp Challenge cards. The player has to act out the chimp behaviour.

Shuffle the Chimp Challenge cards so that no one knows which behaviour will be next.
