Montane biome

Desert biome  
Tundra biome

This is the

What is the  
approximate  
temperature?

What is the plant  
life?

- Very hot in the day,  
cold at night
- Mixed temperatures
- Very cold

- Few plants – ground is too cold
- A lot of grass
- Few plants – ground is too dry
- Lots of trees
- Lots of plant life

- Very little rain
- Some rain
- Plenty of rain
- Mix of rain/snow

What is the  
rainfall?

What are the animal  
characteristics?

- Animals have thick fur
- Animals like to eat grass
- Animals eat fruit and nuts
- Animals need very little  
water to survive
