

1

1. Wildcat - Excellent stripes and very good wildcat tail

2

2. Wildcat - It is very difficult to tell when they are kittens but this one has great stripes

3

3. Domestic cat - This is definitely not a wildcat, spots and lots of white

4

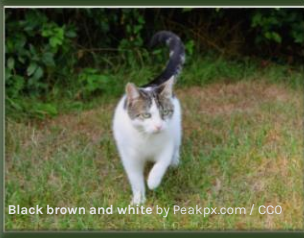

4. Wildcat - Excellent stripes and very good wildcat tail

5

5. Wildcat - Excellent stripes and very good wildcat tail

6

6. Domestic cat - Wrong colour, lots of white

7

7. Domestic cat - Some strips, but lots of spots on the side of this cat

8

8. Hybrid - While it has some wildcat patterns, its tail is long and pointed so this is a cross between a wildcat and a domestic cat
