

Mythical Animals

Dragons

In ancient China, dragons were symbols of power, strength and good luck.

Every dragon had:

- four legs
- feet with long, sharp talons
- often green and red scales

The dragon chased flaming pearls of wisdom and truth.

What two **countries** in the world have a dragon on their national flag?

Know your numbers

In the space below, draw your own imaginary dragon. How many feet, heads, legs, eyes will it have? Choose from the Chinese numbers below to make a key for your dragon, for example:

二 heads

四 claws

七 eyes

Numbers to choose from:

一 二 三 四 五 六 七 八 九 十 十一 十二 十三

My Dragon!

我的龙!

Wǒ de long!
