

Threats

Sometimes when you only know one or two Chinese characters you can work out the meaning of complete words and phrases.

dirty

air

capture

loss

Using the translations of the characters shown above, work out the following threats:

làn bǔ
滥捕

wū rǎn
污 染

shēng jìng sàng shī
生 境 丧 失

qì hòu biàn huà
气 候 变 化

Choose from:

climate change, pollution, over-hunting, habitat loss
